ABOUT THE EXPERIENCE

AARTT was founded in 2020 to connect audiences to the best art happenings—locally, regionally and beyond. Providing a platform for artists, galleries, and institutions to shine, AARTT offers the necessary tools to explore the diverse art scene in Asia.

Cultural cities beyond Hong Kong encompass those in the Greater Bay Area—Macau, Guangzhou, and Shenzhen, where museums, galleries, and exhibitions are opening at astonishing rates—as well as those in neighboring cities such as Seoul, Singapore, and Taiwan. When it comes to exploring these burgeoning art cities, AARTT provides you with resources to discover the wealth of happenings.

WHAT'S INCLUDED?

WSJ+ members are invited to download an exclusive complimentary copy of AARTT's City Art Guide for Hong Kong and to discover tips from AARTT Founders and Curators on what to see and where to go for the best art experiences.
